To Whom it may concern:

Yohans Gebreselasse is a versatile janitorial service provider who has been maintaining our school building since 2015. He is dependable, conscientious, and thorough, and his work is consistently of high quality. He handles a wide range of tasks, from daily cleaning to special annual, semi-annual, and quarterly projects. His duties include floor sweeping and mopping, carpet vacuuming, bathroom cleaning, window cleaning, carpet maintenance, air vent cleaning, and floor stripping and waxing.

We appreciate his flexibility. He accommodates our schedule when we have a special meeting in the evening or on the weekend. Working with Mr. Gebreselasse is a pleasure because he is professional and pleasant.

Warmly,

Anne Carlson  
Head of School
